

THE BEATLES
ACROSS THE UNIVERSE

THE BEATLES
ACROSS THE UNIVERSE

*Words are flying out like endless rain into a paper cup,
They slither while they pass
They slip away across the universe, Pools of sorrow waves of joy are
drifting thorough my open mind, Possessing and caressing me, Jai
guru deva om, Nothing's gonna change my world, images of broken
light which dance before me like a million eyes that call me on and
on across the universe...*

*Thoughts meander like a restless wind inside a letter box they tumble
blindly as they make their way across the universe, Jai guru deva
om, Nothing's gonna change my world, Sounds of laughter shades
of life are ringing through my open ears, exciting and inviting me,
Limitless undying love which shines around me like a million suns,
It calls me on and on across the universe, Jai guru deva om...*

Nothing's gonna change my world
